About Us

Driven by the needs of ProjectionDreams clients, owner and Group Managing Director, Vincent Myers saw an opening in the marketplace to bring together the best skills and trades to form a one-stop-shop where clients can arrange everything they want, need and desire - all under one roof.

The Pedigree Group is just that, a group of experts who combine skills to deliver the best from alarms through to CCTV... from building to decoration... from televisions to home cinemas... from lighting to home automation.

The Pedigree Group - formed to assist from start to finish.

“You can dream, create, design, and build the most wonderful place in the world. But it requires people to make the dream a reality.” – Walt Disney
